

6. EMPLOYMENT RECORD

(a) Prior to coming to UBC

<u>Dates</u>	<u>Rank or Title</u>	<u>University, Company, Organization</u>
July 1995-97	Lecturer	Div Neurosurgery, Dept Clinical Neurological Sciences, UWO
July 97-Oct 01	Assistant Professor	Div Neurosurgery, Dept Clinical Neurological Sciences, UWO

(b) At UBC

<u>Dates</u>	<u>Rank or Title</u>
Oct 2001-Jul 2003	Assistant Professor, Division of Neurosurgery, Combined Neurosurgery and Orthopedic Spine Program
Jul 2003-present	Clinical Assistant Professor, Division of Neurosurgery
Mar 2004-	Clinical Associate Professor, Division of Neurosurgery

(c) Date of granting tenure

(d) At Hospital

<u>Dates</u>	<u>Rank or title</u>	<u>University, Company or Organization</u>
Oct 2001-Jul 2003	Active Staff	Vancouver Coastal Health/Vancouver General Hospital
Jul 2003-present	Active Staff	Vancouver Coastal Health/Lions Gate Hospital

7. LEAVES OF ABSENCE

8. TEACHING

a) Areas of special interest and accomplishments

Neurotrauma curriculum (1995-2001) UWO medical school undergraduate curriculum
 Post Graduate Residency teaching (General Surgery, ICU, ENT residents), ICU Nursing/Health Professional

Epidemiology and Biostatistics: Critical Appraisal of Literature; Neurosurgical resident teaching 1996-2001

LMCC Lecture Series: Neurosurgery (UWO Medical School 1996-2001)

b) Courses Taught at UBC)

b.1) Percentage of Overall Time Devoted To:

Non-clinical Instruction	
Clinical instruction	80
Research/Publication	15
Administration	5
Clinical Practice	80
Total	100

8. TEACHING, cont'd.

b.2) Undergraduate Medical Student Teaching

Summary of Time Expended

Undergraduate Scheduled Activities						
Phase IV Clerkship (2001-2003)	25 hours					
TOTAL	25					

b.3) Supervision of Resident/Fellows/Students with & Without Clinical Service Delivery

Summary of Time Expended (Students)

Activity	Type of Trainee	Service Related Hours	Non-Service Related Hours
Resident (neuro/ortho) training	PGY1-6	10/01-7/03	
Fellow (spine)		10/01-7/03	
Total Hours		6000 (approx)	

Detailed Teaching Log

Scheduled Activities

(b) Courses taught at UBC - See Teaching Activities Summary for further information

Undergraduate Teaching

Scheduled Activities

Phase IV

Phase IV Seminars

May 4/02	Trauma, Brain & Spinal Cord	1.5 hrs
Oct 4/02	Spinal cord & nerve root compression	1.5 hrs
May 30/03	Spinal cord & nerve root compression	1.5 hrs

Phase IV

Oral Exams	Oct 23, 2002	3 hrs
------------	--------------	-------

Postgraduate Teaching

Scheduled Activities - participation in organized resident academic events:

Professor's Rounds 2002/03	Aug 14/02, Oct 30/02, Feb 12/97, Jun 4/97	2 hrs
-------------------------------	---	-------

8. TEACHING, cont'd.

Postgraduate Teaching

Scheduled Activities - participation in organized resident academic events:

Presentation at formal rounds

Neuroscience Grand Rounds

Traumatic Brain Injury: Historical perspectives and future directions. Neuroscience Grand Rounds, Vancouver General Hospital, Nov 21, 2001

Other Departments

May 3/02	UBC Neurology resident teaching: Degenerative Spine Disease	1hr
Aug 15/02	ICU residents. Severe Head Injury	2 hrs
Feb 25/03	Anesthesia resident lecture UBC; Spine and Spinal Cord; anesthetic considerations	1.5 hrs
Mar 3/03	UBC Division of Rheumatology Intracity Noon rounds; Percutaneous Vertebroplasty (Peter Munk, Maziar Badii, Ramesh Sahjpaal MD)	1 hr

b.4) Courses Taught Prior to Coming to UBC

1. Lecture on Epilepsy Surgery, Epilepsy London and Area, London, ON, Nov 1996
2. Core General Surgery Neuroscience Lecture, Head and Spine Injury, University of Western Ontario, London, ON, Nov 1996
3. LMCC Neurosurgery Review Lecture, University of Western Ontario, London, ON, 1996
4. Neuroanaesthesia Lecture Series. Posterior Fossa Surgery and Anaesthesia, Department of Anaesthesia, London Health Sciences Centre, London, ON, April, 1997
5. Neurolept Anaesthesia and Epilepsy Surgery. Temporal Lobe Epilepsy Workshop, London, ON, Nov 1997
6. Neurotrauma. Trauma Unit Lecture Series, London Health Sciences Centre, Victoria Campus, London, ON, Dec 1997: 1 hour
7. Neurotrauma. Otolaryngology Residents Seminar, London Health Sciences Centre, University Campus, London, ON, Jan 1998: (2 hours)
8. Neurotrauma. General Surgery Residents Seminar, London Health Sciences Centre, University Campus, London, ON, Mar 1998 (2 hours).
9. LMCC Review Lecture, U.W.O. Medical Students, Mar 1998: (2 hours)
10. Cerebral Trauma: Neuroscience Course. Meds II. Feb 13, 1999 (2 hours)
11. ICP monitoring in Severe TBI (Dept. Anesthesia, LHSC), Mar 3, 1999 1hr
12. LMCC lecture, neurosurgery; Apr 5, 1999 2hrs
13. Craniocervical trauma Lecture to Otolaryngology residents, UWO. Feb 11, 2000: 2 hrs
14. Cranial Trauma lecture to Meds II, UWO. Feb 21, 2000 2 hrs
15. Meds IV; selective; physiology of neurotrauma and coma. Mar 22, 2000 (1.5h)

16. Traumatic brain injury, cervical spine and spinal cord injuries (for General Surgery Residents), Nov 22, 2000
17. Meds II; Head Injury, Feb 5, 2001 (2 hours)
18. Meds IV; Head/Trauma Session, Feb 22, 2000 (2 hours)
19. Meds IV; Neurophysiology Selective (head injury and coma) Mar 2, 2000 (2 hrs)
20. July 2001: Spinal Instrumentation: Neurosurgery Residents Practical Session (LHSC) 4hrs

c) *Supervision of Graduate Student Research*

d) *Continuing Education Activities*

Local: UBC Sponsored.

1. Neuronavigation and Image Guided Spine Surgery. Neurosciences Grand Rounds, Vancouver General Hospital, Division of Neurosurgery, UBC, Vancouver BC, Apr 21, 2001 (1 hr)
2. Posterior Lumbar Interbody Fusion: preliminary outcome at Vancouver General Hospital, Division of Neurosurgery, UBC, Vancouver BC April 21, 2001 (1 hr)
3. Cervical Spine Degenerative Disease; anterior and posterior instrumentation, AO ASIF OR personnel practical session, Burnaby BC. Oct 24, 2001: (20 min)
4. Traumatic Brain Injury: Historical perspectives and future directions. Neuroscience Grand Rounds, Division of Neurosurgery, UBC Nov 21, 2001 (1 hr)
5. Spinal Stenosis. Rheumatology residents and fellows, UBC. Oct 8, 2004 (1 hr)
6. What's new in Spine Surgery; Lions Gate Hospital Grand Rounds, Sept 15, 2003
7. Spinal Cord Injury; Lions Gate Hospital Nurses/Allied Health May 2004
8. Spinal Column Trauma; Lions Gate Hospital Trauma Rounds Jun 24, 2004
9. Awake Craniotomy; Dept of Anesthesia, Lions Gate Hospital Jul 20, 2004

Local: Non-UBC Sponsored

1. Spine Surgery – An Introduction: Cambie Surgery Center. Sep 03, 2003
2. Spine Surgery – An Update: Cambie Surgery Center, Mar 04
3. Spine Surgery – An Update: Cambie Surgery Center, Feb 1, 05

National

1. Head and Spine Injury, Canadian Association of Neuroscience Nurses, London, ON, Mar 1993
2. Howard P, Girvin J, Menon R, **Sahjpaal RL**: Pre-surgical brain mapping with functional magnetic resonance imaging. Grand Rounds presentation, Department of Clinical Neurological Sciences, University of Western Ontario. Dec 1998
3. Complex Spine Neurosurgery and Instrumentation; current indications and techniques. Neurosurgical Rounds Nov 1999 (1.5 hrs)
4. Epilepsy surgery; Epilepsy Waterloo & Wellington, Apr 14, 2000 (1 hr)
5. Complex Spine Neurosurgery and Instrumentation; current indications and techniques. CNS Grand Rounds, Jul 18 2000 (1hr)
6. Traumatic brain injury (Critical Care nurses, Lamplighter Inn, London, Ontario) Jun 12, 2001 (2 hrs)
7. Image guided surgery (OR nurses, University Campus, London Health Sciences Centre), Jun 27, 2001 (45 min.)
8. Neuronavigation and Image Guided Spine Surgery. Western Canada Spine Course, University of Calgary, Calgary Alberta Nov 27, 2001 (1hr)

Practical Sessions

Oct 24, 2001: Spinal Instrumentation AO ASIF Practical Course for OR personnel, Burnaby BC, (8 hrs)

Nov 27 2001: Spinal Instrumentation Hands-On course, Western Canada Spine Course, University of Calgary, Calgary Alberta (6 hours)

June 19 2002: Spinal Instrumentation Innovative Devices: Instructor; Hands-On course, Canadian Congress of Neurological Sciences Complications in Spinal Surgery: Strategies for Avoidance and Management. 8 hours. (Vancouver BC)

June 18, 2003: Spinal Instrumentation: Instructor; Hands-On course, cervical and lumbar instrumentation. Canadian Congress of Neurological Sciences Controversies in Spine Surgery 8 hours. (Quebec City, Quebec)

Jun 11, 2004: Instructor, Hands-On Course, cervical and thoracolumbar instrumentation. CCNS Controversies in Spine Surgery Course 8 hrs (Calgary AB)

d.2) Invited / Visiting Lecture

- 1995 Grand Rounds presentation: Neurolept Anaesthesia/Awake Craniotomies and Epilepsy Surgery, University of Ottawa, Ottawa, Ont
- 1996 Neurolept Anaesthesia and Epilepsy Surgery, All India Institute of Medical Sciences, New Delhi, India
- 1996 Neurolept Anaesthesia and Epilepsy Surgery, King Edward Memorial Hospital, Bombay, India
- 1996 Neurolept Anaesthesia and Epilepsy Surgery, Hinduja Hospital, Bombay, India
- 1998 Epilepsy Surgery in Children and Adults; Recent advances and techniques. International Neurosciences Update, All India Institute of Medical Sciences, New Delhi, India Nov 21-23, 1998
- 1998 Epilepsy Surgery in Children and Adults; Recent advances and techniques. King Edward Memorial Hospital, Bombay, India
- 1998 Awake Craniotomy; Indications and Techniques. Department of Neurosurgery, Semmes Murphey Clinic, University of Tennessee, Memphis, Tennessee
- 2001 Image Guided Spine Surgery. University of Calgary, Calgary Alberta. Nov 01
- 2002 Complication Avoidance and Management in Spine Surgery, Canadian Congress of Neurological Sciences Annual Mtg; Vancouver BC, June 2002
- 2003 Controversies in Spine Course, Canadian Congress of Neurological Sciences Annual Mtg; Quebec City, June 18, 2003 (Anterior Cervical Discectomy with Plating)
- 2004 Complex Spine Course, Canadian Congress of Neurological Sciences Annual Mtg, Calgary Jun9-12, 2004: Anterior Odontoid fusion techniques
- 2005 Spine Trauma, Royal Columbian Hospital Trauma Rounds, March 17, 2005

9. SCHOLARLY AND PROFESSIONAL ACTIVITIES

a) AREAS OF SPECIAL INTEREST AND ACCOMPLISHMENT

- 1995-present Epidemiological Studies and Clinical Trials in Neurosciences:
- 1999-2001 Planning and Developing Complex Spine Neurosurgical Program at London Health Sciences Center, UWO
- 2000-2001 Neurotrauma: Evaluation and Implementation of the Lund Protocol for the management of Severe Head Injury, in London, Ontario in consideration of a prospective trial comparing the Lund Protocol with conventional therapy.
- 2003-present Co-Chair, ThinkFirst, BC Chapter

2003-present Planning and Establishing Complex Spinal Neurosurgery Service at Lions Gate Hospital
2005 Mar 10-11: Organizer: "Putting the Pieces Together" – A Multidisciplinary Neurology/Neurosurgery Educational Workshop for Lions Gate Hospital. Funding secured: \$7,500.00

b) Research or equivalent grants (indicate whether grant is obtained competitively (C) or noncompetitively (NC))

\$4, 820.00 (NC) Funding for RCT comparing dexamethasone to placebo in patients undergoing subdural electrode insertion for epilepsy, as partial requirement for post graduate Masters of Health Sciences Degree, University of Western Ontario

c) Research or Equivalent Contracts (indicate whether grant is obtained competitively (C) or noncompetitively (NC))

d) Invited Research Presentations

e) Other Research Presentations

1. **Sahjpaul RL**, Heeneman H. Radiotherapy for Acute Parotitis (presented at Resident Research Day, Dept of Otolaryngology, UWO, 1990)
2. **Sahjpaul RL**, Elisevich K, Barr HWK. Posterior Cervical Fusion with Halifax Clamps: A Review of the Experience in London. (Resident research day presentation, Dept Clinical Neurological Sciences, UWO, 1992)
3. Chen R, **Sahjpaul RL**, Young B, DelMaestro R, (1994). Initial Enlargement of the Opposite Pupil as a False Localizing Sign in Intraparenchymal Frontal Hemorrhage. Can. J. Neurol. Sci. Supple. 2:S8.
4. **Sahjpaul RL**, Drake CG, Del Maestro RF, Lownie SP. Vasospasm Following Clipping of Unruptured Intracranial Aneurysms. A Report of Three Cases and Review of the Literature (Poster Presentation, Canadian Congress of Neurological Sciences annual meeting, Victoria BC, June 1995)
5. **Sahjpaul RL**, Girvin JP. Awake Craniotomies for Resection of AVM's in Eloquent Brain. (Poster Presentation, Canadian Congress of Neurological Sciences Annual Meeting, Victoria BC, June 1995)
6. **Sahjpaul RL**, Lee DH, Munoz D. Fatal Reaction Following Inadvertent Intrathecal Administration of Ionic Contrast Agent (Poster Presentation, Canadian Congress of Neurological Sciences Annual Meeting, Victoria, B.C., June 1995)
7. Abdulhak M, **Sahjpaul RL**, Drake CG, Hammond R. Fatal Traumatic Rupture of a Vertebral Berry Aneurysm (Resident Research Day Presentation, Dept Clinical Neurological Sciences, UWO, 1997)
8. Abdulhak M, **Sahjpaul RL**, Drake CG, Hammond R. Fatal Traumatic Rupture of a Vertebral Berry Aneurysm (Poster Presentation, Canadian Congress of Neurological Sciences Annual Meeting, Saskatoon, June 1997)
9. **Sahjpaul RL**, Lee DH. Septic Cavernous Sinus Thrombophlebitis, Cerebellar Abscess and Subdural Empyema, and Pituitary Abscess Secondary to Pansinusitis-Case Report (abstract). Can. J. Neurol. Sci. Vol. 25 (Supple. 2) May 1998.
10. **Sahjpaul RL**, Girvin JP. Craniotomy Under Neurolept Anaesthesia-Indications and Techniques (abstract). Can J. Neurol. Sci., Vol 25 (Supple. 2) May 1998.
11. Jhawar BJ, Steven DS, **Sahjpaul RL**, DelMaestro RF. The Role of Nuclear Medicine Shuntograms in the Evaluation of Patients with VP Shunt Malfunction. (abstract). Can. J. Neurol. Sci., Vol. 25 (Supple. 2) May 1998 and platform presentation Canadian Congress of Neurological Sciences Annual Meeting
12. Jhawar BJ, Steven DS, **Sahjpaul RL**, DelMaestro RF. The Role of Nuclear Medicine Shuntograms in the Evaluation of Patients with VP Shunt Malfunction. Congress of Neurological Surgeons Annual Meeting, 1999 Boston Mass.
13. Larrazabal RA, Eliaszcziw M, Lownie SP, Ferguson GG, Barr HWK, **Sahjpaul RL**. Pre-operative cerebral angiography as a predictor of carotid stump pressure during endarterectomy.

- Resident/fellow/graduate student research day, London Health Sciences Centre and The University of Western Ontario, December 14, 1998.
14. Duggal N, Hammond R, Girvin J, Parrent A, **Sahjpaul RL**. Nestin expression in developmental brain lesions. Resident/fellow/graduate student research day, London Health Sciences Centre and The University of Western Ontario, December 14, 1998.
 14. **Sahjpaul RL**, Pondial M, Wiebe S. Invasive monitoring for medically intractable epilepsy. Results with subdural electrodes. Platform presentation. Congress of Neurological Sciences Annual Meeting Edmonton, 1998.
 15. Lee T, **Sahjpaul RL**, Foley KTF: Outcome from instrumented posterior Lumbar Interbody fusion. Science & Spine & Management, New Orleans LA, Nov 1999
 16. **Sahjpaul RL**, Wiebe S, Kubu C, Derry P. The second sensory area. Seizures originating in and resections. Poster Presentation at Canadian Congress of Neurological Sciences, Ottawa ON, June 14-17, 2000
 17. **Sahjpaul RL**, Kachur E. Pituitary carcinoma. A rare aggressive neoplasm. Poster Presentation at Canadian Congress of Neurological Sciences, Ottawa ON, June 14-17,2000
 18. Duggal N, Hammond R, Girvin J, Parrent A, **Sahjpaul R**. Malignant Potential of Dysembryoplastic Neuroepithelial Tumor. Poster Presentation. American Association of Neurological Surgeons Annual Meeting, San Francisco 2000
 19. Lee T, Foley K, **Sahjpaul R**. Preliminary followup of Impacted Posterior Lumbar Interbody Fusion. Poster. Joint Section on Spine and Peripheral Nerves, AANS 2000.
 20. Foley K, Lee T, **Sahjpaul R**. Impacted Posterior Lumbar Interbody Fusion with Machined, Pre-sized Allograft. Poster. Joint Section Spine and Peripheral Nerves, AANS, 2000
 21. Foley K, **Sahjpaul R**, Rodts G. Virtual Fluoroscopy improves lumbar pedicle screw placement Accuracy. Oral Presentation. CNS Annual Meeting, San Antonio, 2000
 22. Foley K, Lee T, **Sahjpaul R**. Impacted Posterior Lumbar Interbody Fusion with Machined, Pre-sized Allograft. Oral Presentation, CNS Annual Meeting, San Antonio, 2000
 23. Silver B, **Sahjpaul RL**, Hachinski V, Gulka I. De Novo intraluminal carotid thrombus. Recipient Bayer Prize, Canadian Congress Neurological Sciences, Ottawa Ontario June14-17, 2000
 24. Lownie S, **Sahjpaul RL**. Stent Angioplasty of Traumatic Superior Sagittal Sinus Occlusion. Poster presentation. 35th Annual meeting of Canadian Congress of Neurological Sciences, Ottawa, Ontario.
 25. **Sahjpaul RL**, Lee T, Foley KT. Outcome analysis of instrumented posterior lumbar interbody fusion. Canadian Spine Society Meeting, Mont Tremblant March 21-24, 2001
 26. **Sahjpaul RL**, Foley KT. Virtual fluoroscopy improves lumbar pedicle screw placement-a cadaveric study. Canadian Spine Society Meeting, Mont Tremblant March 21-24, 2001
 27. Galvin N, Girvin J, Parrent A, **Sahjpaul RL**, Kubu C. Post-operative language outcome following dominant temporal lobectomy. International Neuropsychological Society, 30th Annual Meeting, February 13-16, 2001, Toronto, Ontario.
 28. **Sahjpaul RL**. Artificial Disc Surgery: BC Neurosciences Day, Vancouver BC March 1,2001
 29. Fisher C, Bishop P, Dvorak M, Fairholm D, Wing P, Boyd M, Wright C, **Sahjpaul R**. Outcome evaluation of the operative management of lumbar disc protrusion causing sciatica. Canadian Spine Society 2nd Annual meeting, Vernon, BC. March 20-23, 2002
 30. Dvorak M, Kwon B, Fisher C, Wing P, Boyd M, **Sahjpaul R**. A prospective, randomized, clinical trial comparing anterior versus posterior stabilization for unilateral facet injuries of the cervical spine. Canadian Congress of Neurological Sciences, Vancouver BC, June 20, 2002.
 31. **Sahjpaul RL**. C5/6 Discectomy with plate. Presented as part of Controversies in Spine Surgery Course. Canadian Congress of Neurological Sciences Annual Meeting, Quebec City June 16-21, 2003
 32. Rabin D, McErlain D, **Sahjpaul R**, Holdsworth D, Duggal N, Norley C, Nikolov H. Evaluating Atlantoaxial Anatomy and Screw Placement with Three-dimensional Cone-beam Computed Tomography. Poster. Congress of Neurological Surgeons Annual Meeting, Denver, 2003.
 33. **Sahjpaul RL**. T10 metastatic tumor: Biopsy Plus Radiation. Presented as part of Controversies in June 16-21, 2003
 34. **Sahjpaul RL**, Cameron D. The Case of the Missing Screw. Poster presentation at CCNS Calgary Jun 9-12, 2004

35. Rabin D, McErlain D, Holdsworth D, **Sahjpaal R**, Duggal N. The Siemens C arm mounted X-ray image intensifier for evaluation of atlantoaxial disorders. Poster presentation at CCNS Calgary Jun 9-12, 2004
36. Neuronavigation and Image Guided Spine Surgery. Western Canada Spine Course, University of Calgary, Calgary Alberta (1hr) 2001 (Nov 27):
37. **Sahjpaal R**, Spacey S, Toyota B. Apolipoprotein E and recovery from Spinal Cord Injury-A Pilot Study. Platform Presentation at CCNS Calgary, Jun 11, 2004
38. **Sahjpaal R**. Odontoid fractures: Anterior Screw Fixation. Platform Presentation. Complex Spine Course, CCNS, Calgary Jul 04, 2004
39. Sahjpaal V, Fisher C, Dvorak M, Boyd M, Wing P, **Sahjpaal RL**. Accuracy of Thoracic Pedicle Screw Insertion. Platform presentation, North American Spine Society, Chicago II. Oct 19, 2004
40. Sahjpaal RL, Yoshida S, Bicknell S, Coulter B. MR Spectroscopy for Brain Tumors: Preliminary Observations. BC Neurosciences Day, Mar 4, 2005
41. **Sahjpaal RL**, Toyota B, Spacey S. The relationship between Apolipoprotein E genotype and recovery from Spinal Cord Injury : Results of a Pilot Study. BC Neurosciences Day, Mar 4, 2005, Vancouver BC.

9. SCHOLARLY AND PROFESSIONAL ACTIVITIES, cont'd.

g) Scientific/Academic Conference Participation (Organizer, Keynote Speaker, etc.)

- 1995 Chair, Meet the Experts Session with M. Gazi Yasargil MD, Canadian Congress of Neurological Sciences, Annual Meeting, London, Ontario
- 1996 Chair, Epilepsy and Epilepsy Surgery, November 23, 1998. International Update on Neurosciences, All India Institute of Neurological Sciences, New Delhi, India
- 2002 (March) Moderator, plenary session, Canadian Spine Society 2nd annual mtg, Vernon, BC
- 2002 Guest Faculty, Complex Spine Course, CCNS Vancouver BC
(June) Co-Chair, Spine and Peripheral Nerve Platform Session, Canadian Congress of Neurological Sciences, Vancouver BC June 20, 2002
- 2003 Guest Faculty, Complex Spine Course, CCNS Quebec City, June 2004
- 2004 Guest Faculty, Complex Spine Course. CCNS June 9, 2004, Calgary

21. SERVICE TO THE UNIVERSITY

Administrative Appointments

Coordinator, Neurosurgery and Orthopedic resident education (Spine) 2001- (VGH & UBC)

11. SERVICE TO THE COMMUNITY

a) Memberships on scholarly societies

Canadian Neurosurgical Society (1995-present)
Young Neurosurgeons Association of Canada (1995-present)
Ontario Association of Neurological Surgeons (1996-present)
Congress of Neurological Surgeons (Active Member) #5380
American Epilepsy Society (1998)
Think First (London) Chapter
Canadian Spine Society (2000)-ongoing
North American Spine Society 2001-ongoing

b) Memberships on other societies, including office held and dates

Licentiate of the Medical Council of Canada (1987-present)

College of Physicians and Surgeons of Ontario (1988-present)
Ontario Medical Association (1988-present)
College of Physicians and Surgeons of British Columbia (2001-present)
British Columbia Medical Association (2001-present)
State of Tennessee Medical License (1999-2002)

c) *Memberships on Scholarly Committees, including offices and dates*

d) *Memberships on other committees, including offices held and dates*

Trauma Committee, Vancouver Coastal Health/Lions Gate Sept04-present

e) *Editorships*

11. SERVICE TO THE COMMUNITY, cont'd.

f) *Reviewer (journal, granting agency, etc. including dates)*

Canadian Journal of Neurological Sciences (1999-present)
Journal of Neuroanaesthesia (2000-present)
Journal of Neurosurgical Anesthesiology (2001)
Mayo Clinic Proceedings 2001
Canadian Journal of Neurological Sciences (2001-)
Stroke (Jan 2002-)
Journal of Trauma (2003-)
Canadian Journal of Surgery (2003-)
Journal of Neurosurgery

g) *External Examiner* (indicate universities and dates)

h) *Consultant* (indicate organization and dates)

Biorthex (Montreal QC, May 03)

12. AWARDS AND DISTINCTIONS

a) *Awards for Scholarship* (indicate name of award, awarding organizations, date)

Reuben Wells Leonard Admission Scholarship, University College, University of Toronto

13. OTHER RELEVANT INFORMATION (Maximum one page)

Meetings Attended in the Last Five Years

Canadian Neurological Sciences Annual Meeting 1995-1998, 1999-2004
American Epilepsy Society Annual Meeting Boston 1999
Canadian Spine Society Annual Meeting 2001 Mt Tremblant , 2002 Vernon, BC (Co-chair scientific session), 2004 Sun Peaks BC
North American Spine Society Annual Meeting 2004 (Chicago Oct 26-29, 2004)

Continuing Medical Education:

Spine Artificial Disc Replacement, Minimally Invasive Spine Technologies, San Diego CA, Oct 21-23, 2003
Radiation Exposure for Health Professionals, Vancouver Hospital, Nov 04 (3hrs)
Minimally Invasive Spine Surgery Workshop, Feb 2005, St Louis, MO.

Postgraduate Courses Taken (name of course, where, dates, indicate if certificate received).

Advanced Cardiac Life Support (1988)

Advanced Trauma Life Support (1989)

FLEX Examination, State of Virginia (1993)

Cook County Neurological Surgery Review Course, Chicago (1993)

W. Lougheed Microsurgical Course, University of Toronto (1994)

Post Graduate Masters of Science in Epidemiology and Biostatistics, University of Western Ontario, London, Ontario (1995-2001)

Courses: Epidemiology, Observational Epidemiology, Biostatistics I and II, Clinical Trials, Economic Evaluation of Health Care, Clinical Epidemiology

THESIS: The Effect of Dexamethasone Administration on Morbidity following Subdural Electrode Insertion for Medially Intractable Epilepsy: A randomized double blind placebo controlled trial Defended June 1/2001

UNIVERSITY OF BRITISH COLUMBIA
Publications Record

Date Completed: Dec 2004
