SUMMARY OF TEACHING DOSSIER:

Undergraduate Education .

I have been involved in clinical teaching of medical students since September of 2009. Teaching has included physical exam, lectures on foot and ankle exam, and clinical teaching at UBC, University of Iowa, Dalhousie University, and University of Toronto. Medical students have also visited my operating room, and attended my Foot and Ankle and Fracture Clinics on a weekly basis since January of 2013.

-University of Iowa:

Weekly resident foot and ankle teaching (2010- 2011)

-Dalhousie University:
Preceptor for medical students (2011-2013)

University of Toronto:

- Instructor of suturing skills to medical students, 2013
- Medical student teaching and OSCE examinations on physical exam, April 2014
- Preceptor for medical students, March 2013-March 2015
- Weekly foot and ankle rounds teaching, March 2013-March 2015

University of British Columbia:

- Medical student physical examination teaching and OSCE examinations, 2009- 2010

Graduate Education (In Orthopaedics residents are equivalent to Graduate Students in basic science Departments)

I have supervised residents in their Orthopaedic careers at University of Iowa, Dalhousie University, University of Toronto, and the University of British Columbia and encouraged those interested to follow a career in Foot and Ankle and arthroscopic surgery. As a result, 3 UBC and 4 Uof T residents have chosen a path in foot and ankle. Sam Park, Tom Zochowski, Dmitry Svetkov, James Rofael, Jane Yeoh, Lauren Roberts, and Ben Jong have personally been mentored by myself during their research projects and progress through residency.

University of Iowa:

- Weekly resident foot and ankle teaching (Tuesday), 2010- 2011

Dalhousie University:

- Preceptor for medical students, & orthopaedic residents, 2011-2013
- Senior resident Oral teaching and examination, March 2014

University of Toronto:

- Preceptor for residents, and orthopaedic residents, March 2013-March 2015
- Weekly foot and ankle rounds teaching (UHN) (Wednesday), March 2013-March 2015
- Weekly foot and ankle case teaching (UHN): residents (Each Monday 5-6pm of the week, with alternating Fridays), March 2013-March 2015
- Master Instructor: Ortho Down Day with UofT Sports Medicine: Ankle Arthroscopy. Toronto, Ontario. (Nov 28, 2013)
- Master Instructor: UofT Foot and Ankle Anatomic Exposures and Procedural Techniques, Toronto, Ontario Nov 12, 2014
- Senior resident Oral teaching and examination, Jan 2014
- Instructor: Orthopaedic Resident Review Course in Reconstructive Surgery, Toronto, Ontario. (Jan 16-18, 2014)
- Coordinator and Master Instructor of Foot and Ankle Anatomic Exposures and Procedural Techniques, Nov 12 2014
- Senior resident Oral teaching and examination, Jan 2015
- Course Coordinator and Master Instructor: Toronto Fellows and Residents Arthroscopy Course, Arthrex facility, Naples, Florida May 9-11, 2014
- Instructor: Orthopaedic Resident Review Course in Reconstructive Surgery (Toronto, Ontario), Jan 15 & Jan 17, 2015
- Instructor: Orthopaedic Resident Review Course in Reconstructive Surgery (Toronto, Ontario), Jan 21-Jan 23, 2016

University of British Columbia:

- (UBC) Resident teaching (case based and didactic), 2009- 2010
- (UBC) Foot and Ankle Exposures and Techniques (Jan 29, 2013)
- (UBC) Weekly foot and ankle Indication rounds (Tuesday), March 2015-Date
- (UBC) Weekly resident foot and ankle teaching (Thursady), March 2015-Dec 2015
- (UBC) Foot and Ankle Anatomy and Cadaveric Session, Aug 13, 2015
- (UBC) Resident and fellow research meetings Aug 2015- Date
- (UBC) Resident Halfday Teaching. “Arthritis and ankle instability”, Sept 17, 2015
- (UBC) Resident Halfday Teaching. “Midfoot Fractures”, Oct 8, 2015
- (UBC) Weekly resident fracture rounds teaching (Thursady), Jan 2016-Date
- (UBC) Weekly resident foot and ankle teaching (Friday), Jan 2016-Date
- Instructor: Orthopaedic Resident Review Course in Reconstructive Surgery, Toronto, Ontario. (Jan 20-23, 2016)
- Course Coordinator and Master Instructor Canadian Fellows Arthroscopy Course, Arthrex facility, Naples, Florida June 24-26, 2016

- (UBC) Resident Bootcamp. Epidemiology Intro: Session 2, Sept 19, 2016

Postgraduate Education – Fellowship education

I have been responsible for the mentorship of orthopaedic foot and ankle fellows since March 2013 at the University of Toronto, and now at the University of British Columbia. The fellowship program at UBC in foot and ankle is very highly ranked nationally and internationally.

In May of 2015, I became the fellowship director of the UBC Adult Foot and Ankle reconstruction Fellowship and continue to mentor Fellows both in the clinic and in their research endeavors

University of Toronto:

- Preceptor for orthopaedic foot and ankle fellows, March 2013-March 2015
- Weekly foot and ankle rounds teaching (UHN) (Wednesday), March 2013-March 2015
- Weekly foot and ankle case teaching (UHN): fellows (Each Monday 5-6pm of the week, with alternating Fridays), March 2013-March 2015

University of British Columbia:

- Weekly foot and ankle Indication rounds (Tuesday), March 2015-Date

Postgraduate Education – Primary Care Provider Education

Primary care is a major component of foot and ankle care. I have been involved in primary care lectures and educational webinars in Nova scotia 2011-2013.

Postgraduate Education – Surgeon Education

Postgraduate education has also involved a number of national and international activities. I have been responsible for surgeon education delivering lectures and instructing at labs for The Canadian Foot and Ankle Society (COFAS), the Canadian Orthopaedic Association (COA), the Arthroscopy Association of North America (AANA), European Societies (ESSKA)/(AFAS), and for University of British Columbia’s Orthopaedic Update

I have supported arthroscopic education by participating as an Associate Master Instructor for the fall arthroscopy course for the Arthroscopy Association of North America for 5 years in a row.

- Instructor: Workshop 4 TAA Sawbones, 2011 COA/CORS Annual Meeting, St. John's, NL. (July 9, 2011)
- Instructor: Workshop Ankle Arthroscopy, 2011 COA/CORS Annual Meeting, St. John's, NL. (July 8, 2011)
- Associate Master Instructor: Ankle Arthroscopy, AANA Masters Experience Course, Rosemont, Illinois. (Sept 16-18, 2011)
- Instructor: Workshop: Ankle Arthroscopy, 2012 COA Annual Meeting, Ottawa. (June 9, 2012)
- Associate Master Instructor: Ankle Arthroscopy, AANA Masters Experience Course, Rosemont, Illinois. (Sept 29-30, 2012)
- Instructor: Workshop: Ankle Arthroscopy, 2013 COA Annual Meeting, Winnipeg. (June 21, 2013)
- Associate Master Instructor: Ankle Arthroscopy, AANA Masters Experience Course, Rosemont, Illinois. (Sept 28-29, 2013)
- Instructor: Foot and Ankle Lab. Canadian Orthopaedic Foot and Ankle Symposium. Toronto, Ontario. (April 10, 2014)
- Associate Master Instructor: Ankle Arthroscopy, AANA Masters Experience Course, Rosemont, Illinois (Oct 25-26, 2014)
- Foot and Ankle Exposures and Techniques, Canadian Foot and Ankle Society Symposium, Whistler, B.C. (Jan 29, 2015)
- Ortho Update: Foot and Ankle Cases (May 2015)
- Associate Master Instructor: Ankle Arthroscopy, AANA Masters Experience Course, Rosemont, Illinois (Aug 29-30, 2015)
- Instructor: Ankle Arthroscopy, AFAS-ESSKA. State of the art on ankle pathology & sports trauma. Theoretical and Practical Cadaver Course (Jan 28-29, 2016)
- Instructor: Orthopaedic AO Trauma Lab (Broken Earth). Port Au Prince, Haiti May 5-6, 2016
- (UBC) Foot and Ankle Anatomy and Cadaveric Session, Aug 11, 2016
- Course Coordinator and Master instructor (COFAS) Canadian Orthopaedic Foot and Ankle Society Lab, Feb 2, 2017
- Associate Master Instructor: Ankle Arthroscopy, AANA Masters Experience Course, Rosemont, Illinois (Sept 8-10, 2017)

Patient Education.

Patient education is paramount to my practice. I spend a great deal of time setting patient expectations on potential outcomes, their current pathology, the planned treatment, and the subsequent rehabilitation. I have been well reviewed in Toronto by patients on "Rate MD", holding the #1 overall position, upon my departure I currently hold the #3 overall position 2015-Date, In Vancouver I have also been well reviewed on "Rate MD", currently holding the #1 overall position 2015-17.

At St. Paul's we have an updated website for patient education, www.bcfootandankle.com.

Currently in Oct of 2016, I personally started and am funding a patient education project to educate patients on foot and ankle pathology, specifically hallux valgus.

Co-op student and researcher education.

At the University of Toronto/ University Health Network, I had a close relationship with the research team and mentored young researchers. As a result, researchers have been inspired to apply for medical school.

Through Biraj Bora and the research office I help provided education to co-op students and volunteers since March 2015. These students spend 3 months to a year in the research office learning clinical research methodology.

11. SERVICE TO THE COMMUNITY

I am a firm believer in the power of mentorship to sculpt lives. Prior to medical school I was heavily involved in inner city outreach programs, coordinating two non-for-profit programs: Enriching the Lives of Kids Society and Redman Caravan. These programs provided inner city kids mentorship and engagement in sports or drama respectively, facilitating to get them off of the streets and motivating them to excel. The development of St. Joes Pilot TV Show through APTN was a summer program developed to engage aboriginal inner city kids.

I continue to mentor young doctors and medical students through my capacity as a surgeon. In addition, I have gone to Haiti in May 2014, and May to educate local physicians in orthopaedic trauma management. I have also given of my time in March-April of 2017 to operate and teach orthopaedic residents in Haiti.

Interests and Hobbies:

I was an apprentice tile setter, and love remodeling houses. I play multiple sports, and love the outdoors: mountain biking, orienteering, white water rafting, kayaking, canoeing, mountain climbing, skiing, and camping. I also enjoy spear fishing, cave diving, and rowing. I sail avidly, which is one of my passions, and ride English saddle horseback. In terms of the arts, I danced classical and modern ballet at a high level for eight years, played classical guitar for ten years, and acted for the Citadel Theatre for approximately the same duration. I love drawing, painting, and sculpting, and have had two pieces displayed at the Edmonton Art Gallery. I also love to travel and read, and speak two foreign languages: fluent Serbo-Croatian, and conversational French.

Supervised (trainee) surgeons are marked with an underline. Supervising surgeons are in italics. As most responsible author I mentored the surgeon trainee through the process of data acquisition, ethics, write up, paper submission, reviewers comments and final submission. For any trainee who went through this process I made them first author to encourage their careers. Contributions are added in italics for contributing authorship papers.

Trainees are underlined: An asterix marks the five most significant contributions.
