UNIVERSITY OF BRITISH COLUMBIA	CLINICAL PROFESSOR	1.07.2006

7. TEACHING

(a) Areas of special interest and accomplishments

Page 3

Re: Error! Reference source not found., Error! Reference source not found.

Faculty of Medicine, Department of Obstetrics and Gynaecology UBC Coordinator of 3rd Year Medical Students 1987 - 1991

Courses taught at UBC – Phase IV Medicine – hours- 1 hour, class size- 15, at six weekly intervals

I have been interested in the techniques of medical student and resident education and have been participating in professional development courses provided through the Faculty of Medicine UBC in this regard.

Courses taught at UBC – Urogynaecology: Incontinence and prolapse Phase IV students, Faculty of Medicine UBC, 1 hour per six week rotation, class size 20

UBC Undergraduate Teaching Award 1992-1993 Department of Obstetrics & Gynaecology
Resident Seminars annually Urogynaecology

Preceptorship – AMS transobturator tape insertion
Dr. J. Turner June 7th 2005
Dr. Aude Beauchamp July 12th 2005
Dr. William Yeung July 26, 2005
Dr. Deborah Miller June 14, 2006

(b) Continuing Education Activities (list dates) (CME lectures, etc.)

Western Society of Pelvic Medicine “Update on FDA and Health Canada Warnings about TVM”
Oct 2013

48th Annual Post-graduate Meeting UBC Dept of Family Medicine UBC “ Investigation and Treatment of Incontinence” Vancouver March 2013

Maple Ridge Medical Society CME “Incontinence and Managing the Pelvic Floor”, Maple Ridge
June 6 2012

Medicine Sun Peaks Annual Conference, New Technologies in Incontinence and Prolapse,
Kamloops, March 21, 2011

Medicine on the Run, UBC Continuing Medicine, Incontinence and Prolapse, Vancouver, Oct 29,
2010

David Boyes Society Annual Meeting, Workshop Urogynecology (2 sessions), Vancouver, October
28, 2010

Western Society of Pelvic Medicine “Evaluation of Stress Incontinence Prior to Surgery” Kelowna,
Oct. 24 2009

Minoru Continuing Medical Education Society “New Technologies for Stress Incontinence and Prolapse” Richmond BC, May 4 2009

Re: Error! Reference source not found., Error! Reference source not found.

Northwest Urological Society “Female Urology”, Vancouver BC, Dec 8 2007

British Columbia Association of Geriatric Care Physicians “Incontinence and the Elderly Woman”, Vancouver BC March Mar 30 2007

Women’s Health Symposium “Approach to Female Urinary Incontinence” Vancouver Oct 21 2006

Western Society for Pelvic Medicine Symposium “New Technologies and Anterior Vaginal Prolapse” Vancouver 29 Sept 2007 (Chair and Coordinator of Wet-Lab): Centre of Excellence for Surgical Education and Innovation (CESEI) VGH

SOGC Postgraduate Day Urogynaecology (Chair) “Investigation of Urinary Incontinence” Vancouver June 23 2006

Women’s Health Conference “Incontinence in Women” Vancouver June 13 2006

D A Boyes Society Meeting “Workup and Diagnosis of Urinary Incontinence” Vancouver Nov 10, 2005

Vancouver Hospital Department of Obstetrics and Gynaecology Rounds “ Diagnosis of Urinary Incontinence” Vancouver Nov 3, 2005

Laborie Medical Technologies “Hands-On” Urodynamics course in Vancouver, July 14 – 16, 2005

Medicine at Sun Peaks 8th Annual Meeting “Female Incontinence” Kamloops BC Mar 2005

UBC Div CME “Female Urinary Incontinence” 40th Annual Post Graduate Review in Family Medicine, Vancouver BC Feb 17th 2005

Vancouver Hospital Department of Obstetrics and Gynaecology Rounds “New Technology: Surgery for Stress Incontinence” Vancouver , BC, December 2004

St. Paul’s Hospital Department of Obstetrics and Gynaecology “New Technology: Surgery for Stress Incontinence” Vancouver, BC November, 2004

Canadian Gynaecologic Society “ New Technology: Surgery for Stress Incontinence” Oct 2004

UBC Family Practice Continuing Medical Education Teleconference “Female Incontinence” October 4th, 2004

Canadian Gynaecologic Society “New Technology: Surgery for Stress Incontinence”, Niagara on the Lake, ON, September 29th, 2004

Department of Obstetrics and Gynaecology Dalhousie Faculty of Medicine Resident’s Research Day “Research in Obstetrics and Gynaecology” May 1st, 2003

Re: Error! Reference source not found., Error! Reference source not found.

UBC Continuing Medical Education Eight Annual Update in Office Gynaecology and Women's Health "Ebbs and Flows Urinary Incontinence" May 30th – 31st, 2003

UBC Faculty of Medicine 7th Annual Update in Office Gynaecology and Women's Health "Urinary Incontinence and Over-Active Bladder" May 31st to June 1st, 2002

48th Annual St. Paul's Hospital Continuing Medical Education "Keeping your Patients High and Dry" Vancouver, BC October 29 – November 1st, 2002

Society of Obstetricians and Gynaecologists of Canada "Interstitial Cystitis" Costa Rica, March 2001

Vancouver Hospital and Health Sciences Centre Department of Gynaecology "Irritable Bladder" Vancouver, BC March 28, 2001

Vancouver Hospital and Health Sciences
Centre Department of Gynaecology "Painful Bladder" Vancouver, BC May 9, 2001

UBC Continuing Medical Education Sixth Annual Update in Office Gynaecology and Women's Health "Urinary Frequency in Women" June 1st – 2nd, 2001

College of Family Practice Workshop "Over-Active Bladder and Urinary Incontinence" Vancouver, BC June 7th, 2001

Second International Consultation on Incontinence "Multimodality, Analgesia and Surgical Day Care Unit Burch Procedure", (Presented by Elective Resident Andre Silva) Paris France, July 1st – 3rd, 2001.

Co-chair West-Central Committee 1991 – 2000, responsible for planning and coordination SOGC West Central Annual Continuing Medical Education Meeting

Victoria General Hospital Continuing Medical Education "Urinary Stress Incontinence – Contemporary Management" Victoria BC, June 9, 2000.

UBC Continuing Medical Education for GP's "Urinary Incontinence and Bladder Over-Activity" Vancouver, BC November 15, 2000

Canadian Continence Foundation "Urinary Incontinence" Vancouver, BC November 23, 2000

BC Association of Geriatric Care Physicians, Topics in Mature Women's Health "Urogenital Aging" Vancouver, BC September 25, 1999

Canadian Continence Foundation\YWCA Public Forum on Incontinence "Urinary Incontinence" Vancouver, BC November 9, 1999

Society of Obstetricians and Gynaecologists of Canada West Central Meeting "Laparoscopic Burch – Is there an advantage?" Banff, AB March 27th, 1998

Society of Obstetricians and Gynaecologists of Canada West Central Meeting "Surgical Misadventures, How to Prevent and Manage Ureteric Injuries" Banff, AB March 27th, 1998

UBC Continuing Medical Education "Gynaecology for GP's" Vancouver, BC May 1998
UBC Continuing Medical Education "Urogynaecological Problems in Older Women" Third annual gynaecology update for primary care physicians, Vancouver, BC May 1998

Society of Obstetricians and Gynaecologists of Canada 54th Annual Clinical Meeting: Conservative Treatment of Voiding Problems and Pelvic Floor Disorders: "Prolapse Assessment", Victoria, BC June 27th, 1998

BC Association of Geriatric Care Physicians "Gynaecological Treatment of Elderly Female" Vancouver, BC September 25, 1998

Re: Error! Reference source not found., Error! Reference source not found.

Fifteenth Annual Obstetric Antenatal Care in Menopause Conference “Urinary Symptoms; Assessment and Therapy”
Vancouver, BC, October 1998

St. Paul's Hospital Continuing Medical Education Course for Primary Care Physicians “Remember pessaries: How to fit pessaries and the work-up of Female Urinary Incontinence” Vancouver, BC November 1998

SOGC ACM “Obesity and Stress Incontinence” 1998

UBC Continuing Medical Education Gynaecologic Update for Primary Care Physicians “Urinary Incontinence Case Management”, Vancouver, BC May 10th, 1997

Visiting Lecturer – St. Paul's Hospital continuing medical education “New Twists in Female Incontinence” Vancouver, BC November 1997

American Urogynecologic Society Education Committee 1993 – 1995

Society of Obstetricians and Gynaecologists of Canada “Laparoscopic Surgery for Stress Incontinence” Halifax 1994

David Boyes Society “Effect of Gynaecologic Surgery on Bladder Function” 1989

Coordinator Urogynaecology Program SOGC annual clinical meeting Vancouver BC June 1988

American Urogynecologic Society “Obesity and Stress Incontinence” San Francisco 1987

International Continence Society “Obesity and Stress Incontinence” Bristol, England, August 1987

International Continence Society Bristol 1987

8. SCHOLARLY AND PROFESSIONAL ACTIVITIES

(a) Areas of special interest and accomplishments

It has been my area of particular interest to assess bladder dysfunction and have been the coordinator of our department's Urogynaecologic Urodynamic Services since 1986 to the present.

Clinical and Research interests include congenital prolapse (meningomyelocele and bladder extrophy), surgery for stress incontinence and prolapse, multimodality analgesia and Day Care Surgery for stress incontinence, new technologies for treatment of stress incontinence, Ethics of introduction of new technologies

(b)+(c) Research or equivalent grants/contracts (indicate whether grants were obtained competitively (C) or non-competitively (NC))

Barr Study (oxybutinin ring) 2005 – 2006 Co-investigator with Dr. Lynn Stothers

Duramed Study (oxybutinin ring) 2009 – present) Co-investigator with Dr. Lynn Stothers

CIHR Collaborator "Innovations in gynecologic specialties translating science into improved health for women. 2013-2014

Granting Agency	Subject	C/NC	\$ Per Year	Year	Principal Investigator	Co-Investigator(s)
