Orthopedic Staff, Department of Surgery, Kelowna General Hospital 2268 Pandosy Street, Kelowna, BC, V1Y 1T2	August 1995 – Present

Okanagan Orthopedics Research
2309 Abbot Street, Kelowna, BC, V1Y 1E4

August 1995 – Present

Chief of Surgery
Kelowna General Hospital
2268 Pandosy Street, Kelowna BC V1Y 1T2

January 2004 – January 2008

Physician Co-Manager Operating Room
Kelowna General Hospital
2268 Pandosy Street, Kelowna BC V1Y 1T2

January 2007 – December 2010

Clinical Associate Professor
University of British Columbia
Department of Family Practice

January 2008 - 2009
Affiliation from 1990

Clinical Assistant Professor
University of British Columbia
Department of Orthopedics

January 2009 - Present

Memberships:

Royal College of Physicians and Surgeons of Canada

College of Physicians and Surgeons of British Columbia

College of Physicians and Surgeons of Alberta

Canadian Orthopedic Association

British Columbia Orthopedic Association

American Academy of Orthopedic Surgeons

Clinical Faculty Association University of British Columbia

Canadian Academy of Sports Medicine

British Columbia Medical Association

Canadian Medical Association

RESEARCH TRIALS:

- Principle Investigator (Vernon) and Sub-Investigator (Kelowna)
Thromboembolism Prevention - Multi-centre Lovenox trial
1994-1996
- Co-Investigator (Kelowna)
Multi-centre, randomized study on Erythropoetin for the prevention of transfusion in total hip arthroplasty
1996-1999
- Principle Investigator
Multi-centre, randomized study on the use of pentasaccharide for VTE prophylaxis following total hip arthroplasty
Multi-centre, randomized study on the use of pentasaccharide for VTE prophylaxis following total knee arthroplasty
1999-2000
- Principle Investigator
Multi-centre, randomized study on the use of Melagatran for VTE prophylaxis following total knee arthroplasty (EXULT A; Phase II)
Multi-centre, randomized study on the use of Melagatran for VTE prophylaxis following total hip arthroplasty (Phase II)
2000-2001
- Principle Investigator
Multi-centre, randomized study on the use of Melagatran for VTE prophylaxis following total knee arthroplasty (EXULT B)
2001-2003
- Principle Investigator
Thromboembolism Prevention Efficacy and Safety Trial of DPC 906 following total knee replacement surgery (Phase II)
2002-2003
- Principle Investigator
Thromboembolism Prevention Efficacy and Safety Trial following total hip arthroplasty (TEMPEST; Phase II)
2002-2003
- Principle Investigator
Fondaparinux Sodium in Orthopedic (hip fracture) Surgery (FORSE)
2003-2004

- Principle Investigator
Thromboembolism Prevention Efficacy and Safety Trial following total knee arthroplasty (ODIXa; Phase II)
2004-2005
- Principle Investigator
Bone healing – Phase II Safety and Efficacy Trial in tibial fracture patients
2004 - 2005
- Principle Investigator
Thromboembolism Prevention Efficacy and Safety Trial following total knee arthroplasty (CV185-010; Phase II)
2005-2006
- Principle Investigator
Thromboembolism Prevention Efficacy and Safety Trial following total knee arthroplasty (Remobilize; Phase III)
2005-2006
- Principle Investigator
Thromboembolism Prevention Efficacy and Safety Trial following total knee arthroplasty (A5571010; Phase II)
2006-2007
- Principle Investigator
Thromboembolism Prevention Efficacy and Safety Trial following total hip arthroplasty (DU176b-PRT011, Phase II)
2006-2007
- Principle Investigator
Thromboembolism Prevention Efficacy and Safety Trial following total knee arthroplasty (CV185-034, Phase III)
2007-2008
- Principle Investigator
Pain Management in Subjects Awaiting Primary Joint Replacement Surgery for End-Stage Joint Disease (R331333PAI3002; KF5503/33, Phase III)
2007-2008
- Principle Investigator

Thromboembolism Prevention Efficacy and Safety Trial following total knee arthroplasty (RECORD 4; 11355, Phase III)
2007-2008

- Principle Investigator
Thromboembolism Prevention Efficacy and Safety Trial following total knee arthroplasty (TAK-442_201, Phase II)
2008-

PRESENTATIONS:

Thromboprophylaxis in Orthopedics
Canadian Orthopedic Nurses' Conference
May 2001

Current Topics in Sports Medicine
Continuing Education at Sea
February 9 – 16, 2003 (16-hour lectures)

Thromboprophylaxis in Orthopedics
American Academy of Orthopedic Surgeons
February 4, 2003

Orthopedics : Sports Medicine
University at Sea
October 30 – November 6, 2004
16 hrs. lectures

Kelowna Spring Sports Medicine Symposium
Anstey Lodge BC
March 28 – 31, 2005
6 hrs. Lectures

Orthopedics : Sports Medicine
University at Sea
May 19 – 29, 2005
16 hrs. lectures

Kelowna Spring Sports Medicine Symposium
Anstey Lodge BC
March 28 – 31, 2006

6 hrs. lectures

Grand Rounds KGH
Total Hip Replacement
April 26, 2006

30 years of Medicine Update
Alaska Cruise
September 11, 2006
Thrombosis Research Lecture

Minoru Medical Association Annual Update
Euclulet BC
August 4 – 5, 2007
OA Treatment 2 hrs. Lectures

Morbidity & Mortality Rounds KGH
February 6 2008
Pulmonary Embolism in Arthroscopy

Sports Medicine – An Update
University at Sea
March 28 – April 4 2009
8 hrs. lectures

Thromboprophylaxis in Orthopedics - Oral Agents
Grand Rounds Kelowna General Hospital
October 28 2009.

Sports Medicine Update
University at Sea
Sept. 9 – 16, 2010.
14 hrs. Lectures

Sports Medicine Update
University at Sea
May 1 – 8, 2011
7 hrs. Lectures

Orthopedics and Rheumatology
University at Sea
May 11-21, 2012

7 hrs. Lectures

Rheumatology and Orthopedics

University at Sea

May 17 – 28, 2013

7 hrs. Lectures

Dilemmas in Orthopedics

University at Sea

June 21-28, 2014

11 hrs. Lectures
